Mr. Requena:

On behalf of the Chicago Department of Transportation (CDOT), I am responding to your Freedom of Information Act ("FOIA") request of October 7 seeking the number of all trees planted between 2008 and 2020.

CDOT is responsible for planting and maintaining trees on Chicago's Green Streets. I have attached spread sheets with that information. Other trees, including most neighborhood trees are planted by the Department of Forestry at the Department of Streets and Sanitation.

You may have a right of review by the Illinois Attorney General's Public Access Counselor, who can be contacted at 500 S. Second St., Springfield, IL 62706 or by telephone at (877) 299-FOIA. You may also seek judicial review of a denial under 5 ILCS 140/11 of FOIA.
